GURKHA TROOPS MOVE INTO CONGO AREA

Quadruplets Born To Former Beauty Queen; All Are Well

By THOMAS C. CUNNINGHAM

United Press International

PHILADELPHIA (UPI) — Quadruplets were born to a former beauty queen Wednesday night, but the doctor predicted — but the father still can't believe it's true and the doctor himself was reported as "all shook up."

The eldest person in Delaware County Memorial Hospital in suburban Upper Darby was the mother, Mrs. Arlene Cutler, 24, Malvern, Pa., who gave birth to the four girls within seven minutes.

The girls were temporarily named A, B, C, and D by hospital officials since the parents had been counting on having boys.

The hospital said the four babies were in satisfactory condition and "the color good" nearly 12 hours after their premature birth.

The attending physician, Dr. J. Vernon Ellison, said the first 48 hours were the most critical in cases of premature births.

The girls were born six weeks premature and weighed from 2 1/2 to 3 1/2 pounds. They were "doing fine," Ellison said. The first was born at 7:17 p. m. (EST) and the fourth at 7:24 p. m.

Like A Dream

The father, William Cutler 3rd, 26, who maintains a fleet of trucks for his father's mushroom transportation company, said the whole thing was "like a dream."

"I still can't believe it," he said. "I don't feel like I'm in reality."

Don't have names picked out for them," he added. "We thought we were going to have four boys."

The Cutlers had been told to expect quadruplets on the basis of X-ray examinations.

Mrs. Cutler's sister, Mrs. Albert

McDowell, 29, said she understood the quads were identical and said her sister came through the ordeal very well.

Mrs. Cutler, the former Arlene Cherrie, a 5-foot, 6-inch blue-eyed blonde, won the Miss Delaware County beauty title in 1955 and that year was voted "lovely looking girl" in the Upper Darby High School class. She entered the hospital Wednesday afternoon when she began to feel labor pains.

Dr. Ellison, head of the hospital's department of obstetrics, said it has been expected the babies would be born about a month ahead of schedule.

Have Large Home

The Cutler home in Malvern, about 25 miles west of Philadelphia and just beyond the famed "Main Line," is a large ranch-type house with three bedrooms and a den on the first floor and an unfinished second floor.

Relative said there had been no thought given to finishing the second floor as yet although the Cutlers have two other children, five-year-old William 4th, and Sherie, 3.

The quadruplets were placed in isolettes at the hospital, which said the parents would not be billed for the delivery.

Mrs. McDowell said she and Arlene are the only children in their family and that there have been no multiple births in the family for "a couple of generations" and no records of anything more than twins before.

Mrs. Cutler's father is a driver for the Red Arrow bus line.

Asked what Ellison, who led a team of 10 physicians attending the birth, had to say after the delivery, Cutler replied: "He couldn't say anything. He was all shook up."

READY NEW A-BAN PLAN — President Kennedy has a final chat with U.S. chief negotiator Arthur H. Mr. Kennedy announced the U.S. is ready to present a proposal he hopes will lead to the first arms control pact of the atomic age.

Aims And Objectives Of Courses Told At Calloway PTA

The Calloway County P. T. A. will meet Tuesday March 21, at 7:30 p. m. The meeting will be held in the library of the school.

At the January meeting of the Calloway County High P. T. A., a decision was made to have a series of discussions centered around the theme, "Know Your School."

Each teacher of the different departments of the school would be asked to present his aims and objectives of the courses he teaches.

At the February meeting an interesting program was presented by the Language Arts and Foreign Departments. Bill Miller, Principal of Calloway County High School, gave the welcome to the group present.

After the welcome, Mr. Miller presented Guy Lovins, Assistant Principal, who gave to each person a copy of the newly formed educational philosophy of Calloway County High School.

Mr. Miller, Principal of Calloway County High School, was presented and he took charge of the program.

Mrs. Myrtle Jones, Mrs. Betty Riley, Mrs. Novella Butterworth and Mrs. Modest Jeffrey were present.

Even though the program lasted for approximately one and one-half hours, no one became bored or tired of the discussion that was being presented.

This was understandable since the parents and teachers were uniting their efforts toward a common goal, namely: "A better education for the boys and girls of the Calloway County Schools."

On March 21, the discussions will be given by the vocational departments. Mrs. Bess Kerlick, Miss Lucy Ann Forrest and Miss Nancy Thompson will present an overview of their teaching in the field of home economics.

Milton Walston, Eugene Chabey and Carmon Parks will present the aims of the vocational agriculture department.

We believe that Calloway County High School exists for all children of Calloway County who meet the entrance requirements.

Whatever is done in home, church, community, or business may be more effectively accomplished with sound education; so it is with this in mind that we maintain this school.

Trophies Won By Tigers On Display

All trophies won during the past season by the Murray High School Tiger football team are on display in the window of Lancaster & Veal.

Since the trophies were awarded late in the year, many of the followers of the Tigers have not had an opportunity to see this beautiful collection of awards.

This season's record will go down in Murray High sports history. Three of the trophies represent Region 1 Class A Championship, the WKC Class A Championship and the runner-up State Class A, which meant the Tigers were actual champions of both Regions 1 and 2.

Awards and pictures won by individual players are also shown. WNBC Best Defense Award went to co-captain Robert Lee. The Lancaster & Veal Best Blocking Award was awarded Stephen Williams.

Co-captain Jimmy Rose was high scorer in the First Region. Woody Herndon won the Jaycee Senior Excellence Award. Rose, Lee and Williams were chosen on the All WKC Team.

Coach Preston Holland was named West Kentucky Conference Coach of the Year. Mr. Holland has coached at Murray High 31 years and has won five West Kentucky Championships in 1932, 1946, 1951, 1953 and 1960. His coaching staff is made up of Dub Russell, Eli Alexander and Glen Jeffrey.

Go In In Face Of Warning By Leaders, "Blood Will Flow"

By WILBUR G. LANDREY

United Press International

LEOPOLDVILLE (UPI) — Malayan troops of the United Nations are en route to Kivu Province to negotiate the release of 30 missionaries — probably including some Americans — held prisoner by Congolese troops, the U. N. Command announced today.

The missionaries were reported under house arrest at Kasongo, 186 miles west of the provincial capital of Bukavu.

News of the rescue mission came as tough Gurkha troops from India flew into the Congo aboard U. S. Air Force planes during the night in the face of warnings by Congolese leaders that "blood will flow" if they are used against Congolese troops.

A U. N. spokesman said there was a report some time ago that 23 Americans were in the Kivu area

and they may be among the 30 missionaries now at Kasongo. However, the U. S. Embassy here had no specific information.

About 30 priests and nuns, all of them apparently Belgians, were reported still in Kasongo.

Short Of Food

The U. N. spokesman said the missionaries are short of food and the Malayans are carrying flour with them for food relief. The Malayans will escort those who want to leave to Kindu, the spokesman said.

Observers here noted that Lumumbist authorities in Kindu have been obstructing the departure of Europeans. Only 19 of an estimated 300 missionaries and civilians stranded in Kindu have been allowed to leave so far.

Most of those permitted to leave were first stripped of their personal goods and money as a kind of ransom for permission to depart.

Meanwhile, Gurkha troops-world-famed for their fighting qualities — streamed into the Congo. Five U. S. Air Force Globemasters have so far brought 276 Gurkhas of the 3rd Battalion of the 1st Gurkha Regiment to reinforce U. N. troops here.

Brig. K. A. S. Raja quickly gave assurance they had not come to fight the Congolese but were in the Congo only under conditions laid down by Prime Minister Jawaharlal Nehru. His statement helped relieve tension building up here.

The Gurkhas piled out of the first plane and lined-up on the darkened airfield. There was no sign of any Congolese. Four light Indonesian tanks guarded the approach but there was no opposition.

The first plane was piloted by Capt. Charles Renner of RFD 6, Canton, Ohio, with 90 Gurkhas. He was followed during the night by three more planes which brought a total of 234 — vanguard of 4,700 Indian troops.

Take Off Again

The planes turned around almost immediately for the next load of troops. The U. S. A. F. planes will fly 44 missions in all.

Raja gave quick assurances the troops were here "on a peace mission."

"We will carry out the orders of the U. N. command," he said. "We have not come here to fight anyone but to help the local government maintain law and order."

"My government has made certain stipulations for the use of this force and the United Nations accepted them."

Among the stipulations was that the troops, many of them veterans of World War II, would not be used against any popular movements or against U. N. troops but only against rebel Congolese forces or against colonialist forces.

Congolese leaders have objected against U. N. reinforcements in general and Indians in particular on grounds India is too closely linked with the Afro-Asia bloc which supported Patrice Lumumba.

Warns Of Bloodshed

Congo Premier Joseph Ileo told newsmen Wednesday that attempts to enforce the Feb. 21 Security Council resolution calling for the use of force if necessary to restore order in the Congo, "will provoke bloodshed for which 'the United Nations will be responsible.'"

"We will meet force by force," Ileo said.

Ileo based his stand on decisions taken by the anti-Lumumbist Congolese leaders at a conference on Madagascar to form a loose federation to replace the chaotic-ridden Congo republic. It meant the automatic return of secessionist Katanga and Kasai provinces.

CONGRATULATIONS IN ORDER

A REGIONAL LIBRARY for Murray and Calloway County is certainly good news as reported in yesterday's Ledger and Times.

The location of this library which will serve several counties certainly did not happen of its own accord, but is due solely to a small group of dedicated people and the cooperation of almost everyone they approached for help.

As is the case with most progressive moves, a lot of people will help out, but without the leadership the move never comes to pass. That is why leaders are needed in almost everything from an infantry squad to a sprawling industrial empire.

Many people want to help but leaders can channel their efforts along the line which will produce the best results.

The regional library will mean much for Murray and the county. To begin with it means \$12,000 in new books or the library, two trained librarians with a masters degree in Library Science, one clerk, paintings which may be borrowed, records which may be borrowed, record players, and a host of services which the present library does not offer.

In addition a modern bookmobile will be furnished which, according to reports, will be a deluxe affair.

Mrs. Ruth Pasco and her committee are to be congratulated on the long effort to secure the regional library for Calloway County.

No. Marshall To Meet Shelby County Tonite

By JAMES RENNEISEN

LEXINGTON, Ky. (UPI) — The Sweet Sixteen will be reduced to eight today with a full slate of six first round games scheduled in the State High School Basketball Tournament at the University of Kentucky Memorial Coliseum here.

Elizabethtown Catholic and Breathitt County already have advanced to the quarter-finals Friday by eliminating first-round foes in the opening session Wednesday night.

Elizabethtown Catholic's Bob Ditto and Breathitt County's Chester Roberts were the first stars of 1961 state tournament action.

Ditto, an agile 6-4 guard, poured in 30 points to lead the Knights in a 70-65 victory over scrappy, but outmanned, Henderson County. Roberts, a burly boardsweeping forward, paced his mountain sharpshooters with 26 points in downing Christian County in the opening state tournament tilt, 75-67.

Elizabethtown Catholic, beaten only once in 38 games, displayed a flashy style with smooth working plays and sharp passing to enhance its height and superiority on the boards.

The Knights easily built up a 35-38 halftime lead, but Henderson County senior forward Jack Owen brought the Colonels back into contention with a late rally that finally collapsed in the closing minutes with Henderson County trailing by five. Owen accounted for 26 points for Henderson, including nine in the fourth period.

Breathitt County built a 25-11 lead over Christian County with a flurry of baskets by Roberts and Brack Herald in the first period, but the western Kentucky team chipped away at that margin and finally overhauled the Bobcats, 56-50, with an 11-point spurge in the first three minutes of the last period.

But the big and experienced Breathitt County team shifted into high gear again in that final five minutes and smothered the Christian County rally with Roberts and his running mate, Henry Combs, leading the final drive.

Roberts and three other Breathitt County starters scored in double figures. Combs got 18, Herald 15 and center Earl Stevens scored 12. Christian County center Bob Grace and playmate guard Roger Putty got 16 apiece, and Jack Ladd and Dick Keller scored 13 each.

Breathitt County will play Elizabethtown Catholic in the opening game of the second round Friday afternoon at 2 p.m. (EST).

The Ashland Tomcats, ranked first in the state by the UPI Board of Coaches, meet Covington Grant in their first-round tilt this afternoon.

Other first-round tournament games today include: Glasgow Bunche vs. Beaver Dam, and Lexington Dunbar vs. Harrison County this morning; Louisville Seneca vs. this afternoon; and Shelby County vs. North Marshall and Wheelwright vs. Lone Jack tonight.

A TRIBUTE

Mrs. Christine Cooper Smotherman of Detroit, Michigan passed from death unto life Wednesday, P.M. as the shades of night were falling.

She was the only daughter of Mr. and Mrs. Chess Cooper and sister of four brothers, Leon, R. L., Hewlett, and Jackie, all of Calloway County.

She leaves the immediate family blinded with grief. Mother, daddy and brothers always took special care of Christine until she was 18 years of age at which time she was happily married to Eldridge Smotherman. Surely she couldn't have fallen into more loving, devoted, and capable hands. Eldridge was a most understanding and appreciative man and loved Christine beyond words.

She was not the type to complain, she always met everybody with a smile. Elderly people admired her for her sweet christian faith and continued hopefulness in spite of her affliction. Her age group loved her and children of her immediate family and neighbors children idolized her as her heart went all the way out to do something for each of them.

Christine could never be as active as she would have chosen, but she grew closer in touch with God

every day and held a strong tie with her church.

After having lapsed into a coma, she regained consciousness and whispered to her husband that God had been in the room and told her that her time was short, but that her pain would be over. When told that her mother and daddy had returned to her bedside, she greeted them and said, "Do not look sad, for I am going to heaven."

Christine was reconciled to die and happy that she had been permitted to have the skilled heart surgery, she hoped and prayed that other lives might be saved. Christine put forth a brave fight, but Christ was victorious.

Christine Cooper Smotherman. We appreciate the kind words of comfort from Bro. Thigpin, Bro. Owen, and Bro. King, the South Pleasant Grove Church Choir and the lovely music, and the courtesy of the Max Churchill Funeral Home. To all of those who sent so many lovely flowers, and food, we are grateful. May God care for each of you always.

Eldridge Smotherman and Mr. and Mrs. C. G. Cooper and Family.

H. M. Workman

CANDIDATE FOR MAGISTRATE

of

Murray Magisterial District

To The Voters Of Murray District:

It is with pleasure that I announce my candidacy as Magistrate of the Murray District, subject to Democratic Primary, May 23, 1961.

As most of you know, I served you for 8 years 1950 through 1957 as your Magistrate. The record will amply demonstrate, I believe, that during my terms of office the Fiscal Court laid the foundation for a successful road program, namely, by the purchase of heavy equipment without which a road building program would be impossible.

This office is an important office, and determines to a very considerable extent how your tax dollar will be expended. I pledge to you voters my careful and conscientious attention to your needs. Your vote and influence will be sincerely appreciated.
